

Explorer's Bible Study 2011 -- 2012

This year we will study The Gospel of John, a unique perspective of the life of Jesus Christ. It varies from the other three gospels of Matthew, Mark and Luke (*also known as the synoptic gospels*), by focusing more on spiritual themes rather than historical events. The author of this gospel was the disciple John, one of the twelve disciples that followed Jesus Christ during His earthly ministry. Whether you are new to Bible study or a veteran, all in our community are welcome. There will be a \$25 fee for the study workbooks. Childcare is provided during the Tuesday morning session at no additional cost. Bring a friend, neighbor or relative! Our study will run September through early May.
